Agenda for the Regular Meeting of the Board of Directors of Live Oak Charter School
February 18, 2021
6:00pm

Mission & Program

To ensure the humanity and potential of its students through an education resonant with their unfolding awareness and capacities, and supportive of the full and integrated development of body, heart, and mind. LOCS provides a K-8 program inspired by Waldorf education to children and families of Petaluma and surrounding communities. Waldorf inspired education is a developmental approach to learning that cultivates the innate capacities of each child through age appropriate curriculum. Live Oak educates the whole child – head, heart, and hands, through an education that integrates each child’s creative, intellectual, emotional, physical and social domains. Live Oak offers an interdisciplinary liberal arts program where art, music, and movement are integrated with core academic instruction. Exploration of the natural world, human culture, language and mathematics enlivens curiosity which is the foundation of intellectual growth, conceptual flexibility, empathy and sense of connectedness.
