Agenda for the Special Meeting of the Board of Directors of Live Oak Charter School
October 14, 2021
5:30pm

Mission & Program

To ensure the humanity and potential of its students through an education resonant with their unfolding awareness and capacities, and supportive of the full and integrated development of body, heart, and mind. LOCS provides a K-8 program inspired by Waldorf education to children and families of Petaluma and surrounding communities. Waldorf inspired education is a developmental approach to learning that cultivates the innate capacities of each child through age appropriate curriculum. Live Oak educates the whole child – head, heart, and hands, through an education that integrates each child’s creative, intellectual, emotional, physical and social domains. Live Oak offers an interdisciplinary liberal arts program where art, music, and movement are integrated with core academic instruction. Exploration of the natural world, human culture, language and mathematics enlivens curiosity which is the foundation of intellectual growth, conceptual flexibility, empathy and sense of connectedness.

As discussed in Legal Update No. 15-2021 regarding recent amendments to the Brown Act and pursuant to AB 361, local public agencies in Sonoma County may proceed to hold virtual meetings after September 30, 2021 without holding a separate meeting to make a determination that meeting in person would present imminent danger. For so long as the public health recommendations remain in effect, local public agencies should also plan to reconsider the circumstances of the emergency every 30 days and make appropriate findings to continue with virtual meetings.

Please be advised that the Sonoma County Public Health Officer issued social distancing recommendations for public meetings, available at:
