Hello Parents,

Thank you for your patience heading into the new school year!

Families who need childcare are encouraged to visit our Live Oak web page [here](#) to download the After School application. Please fill out and return via email to Denise.williges@liveoakcharter.org.

The After School Program is still hiring. In the meantime, we will do our best to meet families' needs. We are prioritizing full-time childcare, followed by part-time childcare.

All applications received by 12noon on Thursday August 12th, will be processed immediately. Families will receive a confirmation email with a link for online payment. Applications received after 12noon on Thursday will be processed on a first come-first served basis.

Once the program is full, families will be sent an email about their place on the waitlist.

With great expectations for a great year playing with your children!

Kind Regards,
Ms Denise
