

August 6, 2021

Dear Live Oak Charter School Parents,

It's very exciting to be planning the reopening of our After School Program (ASP) after last school year's challenges! I know your children are older, taller and deepening their own constitution. I look forward to reconnecting with you all!

Due to staff limitations, we will be offering a smaller, space-limited After School Program for Kindergarteners and Grades children. To begin, there will be 10 openings for children in Kindergarten and 15 openings for children in Grades. As our staff grows, we will be able to offer more spaces for childcare . The After School Program will prioritize applications by need: Full-time care needs followed by part-time care needs. Drop-in childcare will be available as soon as possible.

The Kindergarten Aftercare will be held in the lovely Rosemary Kindergarten. We are so grateful to Ms Rebecca for sharing space with our program. Children in grades 1 through 6 will meet in the Aftercare Room (blue building near 1st and 2nd grade). We will not be offering Morning Care this year, however children may be dropped off 15 minutes before school starts for supervised play on the blacktop.

7th and 8th grade students interested in the Work/Study program may volunteer with acceptance of applications.

The Afterschool Program will follow all COVID safety guidelines, including frequent hand washing, wearing masks while indoors, and LO classroom cleaning practices.

This year we are getting up with the times! We will have an online platform that will streamline the registration process, payments, invoicing and other important features. Details will be shared at the Townhall meeting next Wednesday!

It is my sincere hope that in short order, we will have our regular "full and bustling" Afterschool Program able to meet the needs of all of our Live Oak Community.

Sincerely and with great warmth,

Ms. Denise
