Dear Parents,

I'm very excited to announce that our Afterschool Program (ASP) will be open for the coming school year! I know your children are older, taller and deepening their own constitution. I look forward to reconnecting with you all!

We are currently looking to hire three positions: Kindergarten Lead (25 hour/week), Kindergarten/Grades Assistant (25 hour/week), and a Grades Assistant (Thursdays, 5 hours/week). It's been my experience that we find some of the best staff among our parent body. Anyone interested may contact me directly at Denise.williges@liveoakcharter.org. We will be scheduling interviews for Friday, July 30. Staffing will determine the class size and hours of our program.

An email outlining this year's program with rates and application will be sent out the week of Aug 2nd. Thank you for your patience. I'm looking forward to another wonderful year with the children.

Very Sincerely,
Denise Williges
