Heidi Russell, a Live Oak parent who is a Certified Hand-in-Hand Parenting Instructor and Coach, offers this FREE workshop to Live Oak parents. Whether you have taken a class with her before and appreciate a refresher or this is a new moment in parenting, take advantage of Heidi's free offering to learn tools to use at home to help in all kinds of transitions...this is not just for that first time your child goes to Kindergarten/First Grade. Living through transition is a life-long challenge! Come gain perspective on your child's emotional moments and connection practices that build strong relationships. Although focused on the needs of younger children, the content is relevant to all ages and the class will be open to all Live Oak families.
