After School Program:

We are still in need of qualified staff for several positions. We are looking for a lead Kindergarten teacher and a Kindergarten Aide. Both positions are 25 hours a week, M – F noon to 5pm. We are also looking for a Grades Aftercare assistant on Thursdays 1:15pm – 5:15pm. If you or someone you know loves working with children and has interest in any of these positions, please email Ms Denise at Denise.williges@liveoakcharter.org.

Information forms for returning students:

In an effort to streamline and simplify the various information forms required for returning students, Live Oak will be moving to an online alternative to paper forms. Please check your email next week for detailed instructions.

Back to school town hall:

An all-school welcome-back-to-school Zoom town hall meeting will be scheduled for Wed. August 11 at 6pm. Details will follow.
