

# Learning Continuity Plan (2020-2021)

In lieu of the Local Control Accountability Plan (LCAP), for the 2020-2021 school year, districts are required to complete a Learning Continuity & Attendance Plan. You can preview Live Oak's draft LCP [here](#) or at [www.liveoakcharter.org](http://www.liveoakcharter.org) under the Covid-19 Hub.

## Background

Along with the passage of the state budget, [Senate Bill \(SB\) 98](#)  was approved by the state legislature and signed into law by Governor Newsom which

"established that the Local Control and Accountability Plan (LCAP) and an annual update to the LCAP are not required for the 2020–21 school year and that the California Department of Education (CDE) shall not publish the California School Dashboard in December 2020 based on performance data on the state and local indicators."

"SB 98 also separates the development and adoption of the Budget Overview for Parents from the development and adoption of the LCAP for the 2020–21 school year. The legislation also requires that the Budget Overview for Parents be developed and adopted by December 15, 2020. The requirements to hold a separate public hearing and adoption at a public local governing board meeting consistent with California *Education Code (EC)* Section 52064.1 of the Budget Overview for Parents remains."

"SB 98 establishes California *EC* Section 43509 and the Learning Continuity and Attendance Plan (Learning Continuity Plan) requirements for the 2020–21 school year."

## Purpose

The Learning Continuity Plan provides information for how student learning continuity will be addressed during the COVID-19 crisis in the 2020–21 school year.

It is "intended to balance the needs of all stakeholders, including educators, parents, students and community members, while both streamlining engagement and condensing several preexisting plans. In particular, it was important to combine (1) the intent behind Executive Order N-56-20, published in April 2020, which envisioned an off cycle Local Control and Accountability Plan (LCAP) due December 15th, and (2) the ongoing need for LEAs to formally plan to return to school in the midst of the uncertainty and of COVID-19, without requiring two plans. The Learning Continuity Plan replaces the LCAP for the 2020–21 school year."

## Timeline

The Learning Continuity Plan is to be developed and board approved by September 30, 2020.

# Plan Contents

Learning Continuity Plan will address the following areas:

- Student instruction
- Stakeholder Input
- Health guidance
- Access to devices and internet connectivity
- Learning loss mitigation
- Addressing the needs of unduplicated pupils, students with unique needs, and students experiencing homelessness
- Resources and supports to address student and staff mental health well-being
- Nutrition and school meals for students.

## LCP Stakeholder Engagement Opportunities

Live Oak has the following dates as viable opportunities for the school community to offer input on various components of the LCP. If you have further input on the LCP draft, you can: 1. Email the Director at [justin.tomola@liveoakcharter.org](mailto:justin.tomola@liveoakcharter.org) or attend the Board meeting on September 10, 2020.
