Dear Live Oak Charter Community:

It was great to see so many participants attend our Town Hall #7 on Wednesday evening!

In this email you'll find the following: a link to a recording of Town Hall #7, a brief Parent Survey (please take a moment to complete), gratitude to our medical panel, and three social emotional support videos from the county office of education.

If you would like to watch our recent Town Hall, we have posted it on our website. You can access it in its entirety here: [Live Oak Town Hall #7 video](#)

We continue to develop our reopening plan and would like your input as we look ahead: I am attaching a parent survey here to help us better understand your preferences. Would you please take a couple of minutes to complete it? [Live Oak Charter Survey](#)

Also, I would like to acknowledge and thank our health professional panel from Town Hall #7. Your ability to field questions and clarify information was outstanding and very appreciated. For anyone who would like to watch the health professional panel segment of the Town Hall, you may directly start watching at the 1 hour and 14 minute mark of the Town Hall #7 video.

Lastly, I would like to provide you with links to three Social Emotional Support videos provided by the county, designed for specific age groups. They are designed to support students and families during this time.

I would like to end how we started our Town Hall #7, with a verse from Rudolf Steiner:

“A healthy social life is found only, when in the mirror of each soul the whole community finds its reflection, and when in the whole community the virtue of each one is living.” *Rudolf Steiner*

Thanks for all you do and I hope you have a great weekend!

Best,

Justin Tomola
