Today's Agenda

1. Share back themes from town hall #2
2. Share commonalities from recent survey
3. Share (3) potential learning models & get your feedback.

* We will not be focusing on safety issues tonight.
Tonight's Theme: Values

Why are we here at Live Oak?
RESPOND-Town Hall #2

- Looking Back:
  - What went well during our Spring response?
  - What didn’t?
  - What can we learn?
Summary of Major Commonalities

**Five things to keep**
1. 15 min. 1:1s
2. Classes listed on a weekly sheet with links.
3. Teacher’s feedback & personal connection.
4. Being able to customize the work.
5. The individual office hours.

**5 things to improve**
1. Want teaching in the waldorf ways
2. Better schedule
3. Small groups needed, more 1:1
4. School-wide expectations from class to class - policies communicated
5. Internet safety education is needed for the kids and parents
Balancing Needs & Concerns

Underlying Issues: Budget, County Mandates

Need to work, ChildCare, Learning-Loss, Connection

Child/Family & Staff Safety, Instructional Delivery, Waldorf
RESPOND
Looking Forward
Things to know:

1. State asked every school to put together multiple plans (DL, Hybrid, 5-day)
2. County Office of Ed (SCOE) guidance will ultimately dictate the model based on County Health recommendations.
3. Staff has done tremendous work to create each model (budget, staffing, community feedback)
What are the values we want to see (TH #2)?
The waldorf experience, social emotional learning, grounded in traditional practices, seasonal grounding, and project based learning.

Questions:

Once the County Office of Ed (SCOE) guidance dictates the model...

1. What values do you want to drive each model?
2. What do you want them to deliver/look like?
3. Do you have any questions or concerns about this model?
## AM/PM Model - 5 Day

- Extension activities and home and minimal Google Classroom use.
- Specialty classes 1-8; every student at least once every two weeks.
- Recess and snack at school.
- Lunch provided by families.
## Hybrid AA/BB Model

- Specialty classes for grades 1-8; every student will have each Specialty at least once every two weeks.
- Recess, snack and lunch at school (school lunches may not be available). Will continue to meet the requirement of providing a meal for FRMP students although it may not be lunch.
Distance Learning Only

- Learning happens in two different locations.
- Most likely DLO students will have their own teacher (TBD) regardless of the hybrid model.
- Parents would need to commit to DLO for a specific length of time, probably at least one semester.
Questions:

Once the County Office of Ed (SCOE) guidance dictates the model...

1. What do you want each model to deliver/look like?
2. Do you have any concerns about this model?
Summary
Community Conversation: Looking Forward

- Next Town Hall we will review the reopening plan.
What can I do?

Stay connected over the summer
Sign up to take on a project!
Give to the Annual Fund @ www.liveoakfoundation.org
Attend the next town hall & invite another parent: Time TBD
Thank you!
