(respondents could only select one grade)

- 8th: 3 students
- 7th: 11 students
- 6th: 12 students
- 5th: 11 students
- 4th: 15 students
- 3rd: 16 students
- 2nd: 14 students
- 1st: 18 students
- K: 2 students
Q3 The class distance learning schedule was manageable for us.
Q4 It was easy for me to understand what my student was expected to do each week
Q5 My child was engaged during instructional Zoom meetings.
Q6 My child was engaged during non-instructional Zoom meetings with the teacher or aide.
Q7 My child was engaged during pre-recorded instructional videos.
Q8 My child was successful engaging in the online platforms such as Google Classroom.
Q9 We were able to find a balance between distance learning and media use.
Q10 There was enough opportunity for my child to maintain a relationship and connection with their teacher.
Q11 My child was able to maintain a real time social connection with their peers via Zoom calls and/or Google Classroom.
Q12 My child was able to complete assigned work independently.
Q13 My child was engaged and active in accomplishing independent activities assigned by the teacher.
Q14 The amount of time given to complete assignments/projects seemed about right.
Q15 When my child had a question, they knew how to get help in order to move forward.
Q16 Including distance learning, about how much time does my child spend a day in front of a screen?
Q17 Each day, my child spends about how much time outside engaging in play, chores, or other physical activity.
Q18 My child is experiencing stress/anxiety that makes concentrating and completing schoolwork difficult.
Q19 Select all of the following that have supported your child’s wellbeing? (Select all that apply)

- Live on-line video...
- Individual assignments
- Less time doing school...
- Scheduling that allows...
- Non-school related...
- Other (please specify)

Poll results:
- Live on-line video: 70%
- Individual assignments: 50%
- Less time doing school: 60%
- Scheduling that allows: 70%
- Non-school related: 70%
- Other (please specify): 30%
Q20 Do any of the following make it difficult for your child to do Distance Learning at home? (Select all that apply)
Q21 I am satisfied with the amount of information and the frequency of communication shared by teachers.
Q22 I am satisfied with the amount of information and frequency of communication shared by Live Oak's Director.
Q23 I am satisfied with the amount of information and frequency of communication shared by Live Oak’s Office.
Q24 Given the circumstances, I am satisfied with the overall Distance Learning experience.
Q25 What is the greatest challenge of distance learning for you as a parent/caregiver?

 Options:

- Lack of student interaction
- Not enough time
- Struggle with motivating kids
- Juggling work and teaching
- Need for better instructional materials
- Difficulties in managing assignments
- Feeling overwhelmed by school work
- Trying to work full time
- Need for help from parents
- Need for more organized school work
Q27 If we return to the physical school in some way for the 20/21 school year, how likely is it that due to COVID-19 you will continue to keep your child at home?
