Dear Live Oak Charter Families and Friends,

Thank you to those parents who took the time to respond to the distance learning 2.0 survey. Before sharing the results with you all, I would like to ask that a few more parents take the survey.

The survey is important because it gives Live Oak faculty a stronger sense of the distance learning experience and it will help craft our ability to make mid-course corrections and/or continuations. In the spirit of doing, learning, and evolving, I am asking for your feedback and input.

Would you please take some time, about 10 minutes, to fill out the survey on distance learning 2.0? If you have more than one student at the school and due to each student having the potential for a different experience, please complete one survey per child. Here is the link: [Distance Learning 2.0 survey](#).

Dragon Pageant 2020

Join us on Wednesday, Oct 28 at 2 pm for an all school Zoom assembly to watch the *2020 Virtual Dragon Pageant!* The Zoom link will be provided on each grade's Launchpad.

Also, create your own [Harvest Faire](#) with crafts at home with your family, or online or together with your Social Learning Pod. Short on craft supplies? Some of the crafts will be supplies available at school in baskets outside the office Mon. Oct 26 - Wed. Oct 28.

Parent Conferences: short week October 26-28

Just a friendly reminder that next week on October 29 and 30 Live Oak will hold parent conferences. During parent conferences, Live Oak teachers will not be holding class therefore it is a short week, three days, for the students.

Thank you to everyone and please continue to be safe and healthy!

Best,

Justin Tomola
