Dear Live Oak Charter Families and Friends,

It has been a whirlwind start back to school with our first ever Distance Learning opening! I can't remember a busier time of year than the beginning of school, and this year is no exception.

Although different from what anyone is used to, I am finding a prominent silver lining with everything that is going on this year. Despite the pandemic, the energy shut offs, the fires, the crazy lightning storms, the distance learning, all the economic hardships and personal struggles Live Oak continues to stand tall and proud. Instead of being just about bad times and difficulty, we bring the light to the darkness and shine.

In true community spirit, we lean on each other, maintain a positive outlook, and trust the process. I am lucky to be on this journey with you and proud to be part of Live Oak.

We are setting up the meeting a bit differently this week. We will be hosting the "closed session" before the public session. Public comment on the closed session is welcome before the board goes into closed session which is not open to the public. Our regular public session will begin at 6:30 and you can find a link to the agenda [here](#).

Also, there will an opportunity for community input on the Learning Continuity Plan (LCP) during our regular session. To learn more about Live Oak's LCP, you can click [here](#).

May you all have a great week and am keeping my fingers crossed that we have a respite from the heat very soon so we can all stay cool!

Best,

Justin Tomola
